A KALEIDOSCOPE OF PAMPERING, REJUVENATION

The Salzach River welcomes you to a time-stopping, invigorating and delightful oasis of pure serenity. The Alpen-Karawanserai Hotel is a delightful meeting of Eastern and Western cultures. Our hotel is designed with Eastern flair and style, while simultaneously indulging our guests with the deepest pleasures that the Western world has to offer. All of these delights are orchestrated to ensure that our heimish, Jewish guests will feel really and truly at home.

A TRUE APPRECIATION OF THE JEWISH PEOPLE

The Sommerbichler siblings, proprietors of the Alpen-Karawanserai Hotel, have a genuine appreciation for the Jewish people. To that end, the hotel is designed with the Jewish, heimish guest in mind. Separate saunas, separate pools and the option of separate beds or just a small example of how deeply the Sommerbichlers dote on their Jewish guests.
